Dear Colleagues,

It is an honor to invite you to participate in the WORLD TRAUMA CONGRESS.

Join health care professionals from around the world in the discussion of important aspects of trauma care and strategic actions to improve the quality and the scientific knowledge of injury as a disease, which has been considered one of the most important public health care problems by the World Health Organization.

The WORLD TRAUMA CONGRESS will be held in the beautiful city of Rio de Janeiro, Brazil on August 22-25, 2012. Here, you will find plenty of warm, friendly people and unforgettable places to visit.

Please, start working on an abstract to present and bring your excitement, knowledge, and ideas to discuss with surgeons and other health care professionals committed to the care of the injured patient from around the world.

Please, save the date.
We will see you in Rio,

Raul Coimbra
World Trauma Congress President
